A new hair style is as good as a holiday

The girls at Gympie's new Universal hair salons say the greatest escape is some time with them while they give you a new look.

If you haven't heard of Universal, it's because Universal is a new brand which is really making waves.

With the aim of creating the best salons between Caloundra and Gympie, Universal owners Sam and Rebecca Penny know they are onto a good

thing with their two new Gympie salons. "I have spent a lot of time in salons having my hair done and always knew that I could create a much better customer experience" Rebecca said. "We are assembling the best stylists and adding some great initiatives to put some pizzazz into the whole customer visit."

Universal has two new salons in Gympie, one in Centro Gympie and the other in Goldfields Plaza in addition

to their existing salons in Mooloolaba and Caloundra.

With a strong team of Redken stylists and a very enthusiastic team of apprentices, they promise clients will really be looked after and walk out looking great.

To make an appointment, call Universal Centro on 5482 7277, Universal Goldfields on 5482 9377 or visit their web site at UniversalHair.com.au.
